Rounding	closest-to round-to
Trig	
Scaled	cosr sinr tanr

## Sound Data

### Buffers

Create & Free	buffer buffer-free buffer-alloc-read
Generate Buffer Data	data->wavetable create-buffer-data
Read & Write To Server	buffer-read buffer-write! buffer-write-relay! buffer-fill! buffer-set! buffer-get buffer-save buffer-data buffer-read
Write To Filesystem	write-wav
Streaming In & Out	buffer-stream buffer-stream? buffer-stream-close buffer-cue buffer-cue? buffer-cue-pos buffer-stream-close
Query	buffer? buffer-info? file-buffer? buffer-out-stream? buffer-in-stream?
Info	buffer-info num-frames buffer-id

### Samples

Create	load-sample load-samples sample defsample
Playback	mono-player stereo-player

### Busses

Create & Free	control-bus audio-bus free-bus
Modify & Read	bus-set! bus-set-range! bus-get bus-get-range
Query	bus? control-bus?
Info	bus-id

## Nodes & Groups

Create & Free	node group node-free group-free group-clear group-deep-clear
Manipulate	node-start node-pause node-place node-control node-control-range node-map-controls node-map-n-controls group-prepend-node group-append-node
Info	node? node-live? node-loading? node-active? node-tree pp-node-tree
Foundation Groups	foundation-overtone-group foundation-output-group foundation-monitor-group foundation-input-group foundation-user-group foundation-default-group foundation-safe-group foundation-safe-pre-default-group foundation-safe-post-default-group

## Music

### Pitch

Ratios	unison octave fifth sixth third fourth min-third min-sixth
Note Shifting	shift flat sharp invert inc-first dec-last
Notes	note octave-note nth-octave nth-equal-tempered-freq canonical-pitch-class-name note-info mk-midi-string match-note
Scales	scale resolve-scale scale-field nth-interval resolve-degree degree->int degree->interval degrees->pitches resolve-degree resolve-degrees interval-freq
Chords	chord resolve-chord rand-chord invert-chord chord-degree
Discovery	find-scale-name find-note-name find-pitch-class-name find-chord
Frequencies	cents midi->hz hz->midi
Amplitude	db->amp

## CGens

Audio In	sound-in
Buffer Playback	scaled-play-buf scaled-v-disk
